## EDITOR'S MESSAGE

The composition of an annual is a project not soon to be forgotten. It has been the aim and desire of the annual staff to present a true and accurate description of school life. Without the cooperation of many, the editing of this annual would not be possible. To these people, who have helped so faithfully, I express a special thanks. We especially wish to extend our thanks for the most valuable guidance that Mrs. Waters has given us in making the "Yearbook of 1965" a success.

Thank you,

KEN FENNO

### FOOTBALL

Under the firm guidance of Coach Cruz, the Tigers finished this season with a winning record. Lack of weight proved to be the biggest drawback in the front line, but this was offset by an experienced backfield. With a good deal of hard practice and good coaching, the Tigers made the entire school proud of them.
